Al Smyth's Free Beer n Chicken Coalition

This dude in the funny hat plays some wicked ass slide guitar. Maybe he's the Free Beer n Chicken Coalition cat I've heard about.

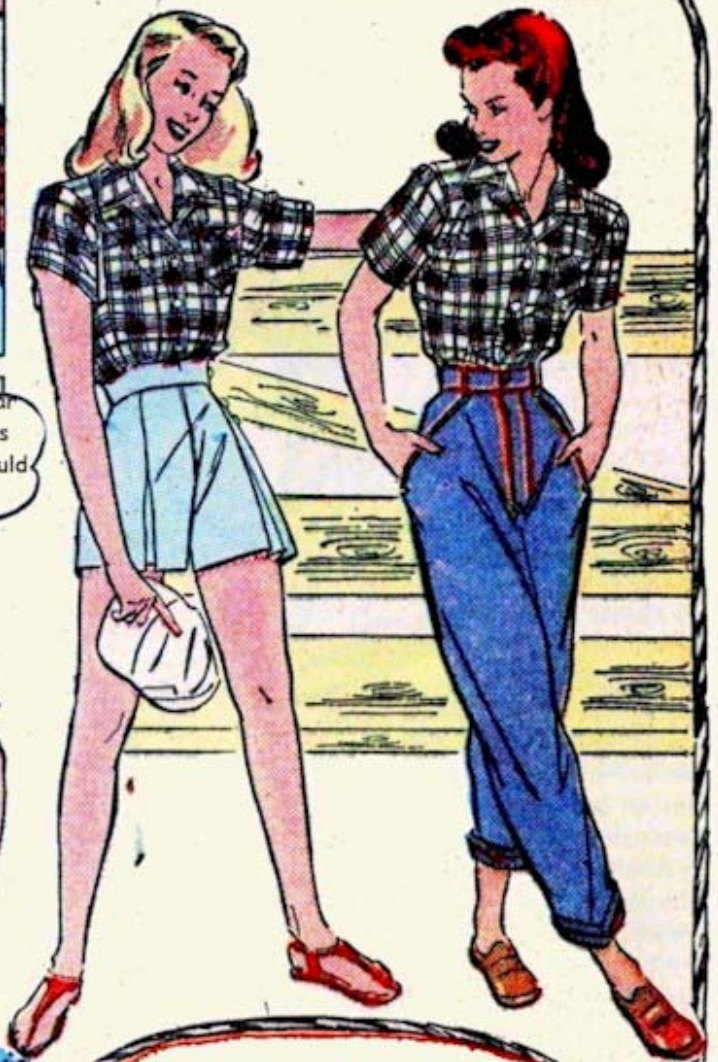

Say Mary, did you ever have that 'not so fresh' feeling? And if so, whadda you do 'bout it?

I sure do. Everytime I hear some band play cover tunes or some ol' blues. You should check out the FBnCC!!!

Yes kids, the FBnCC will rock yer denim with their original eclectic electric whizz-bomb music and show!!!
